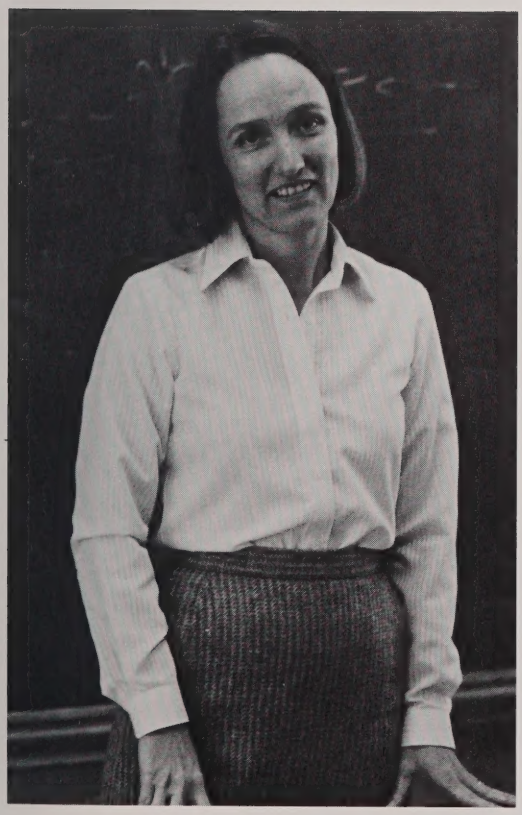
DEDICATION

MRS. BETTY JANE ROTH

Mrs. Roth began her career in Littleton at the Middle School in September, 1974. Her giving, her gentleness and her compassion toward all living things became readily apparent and it influenced us in those early years as it did later when we became reacquainted with her, here, at the High School. Her example will be part of us for years to come.



MRS. NARONA DESMOND

Mrs. Desmond came to Littleton High School in September, 1975, and immediately set goals and standards for her students which reflected those which she set for herself. She also was a giver, in class and out. In addition to serving as our class advisor, she was ever willing to spend non-classroom time with us as individuals. Although family relocation precipitated her resignation in January, 1985, she will never be forgotten.

THAT FIRST DAY!

Yvonne Gnauck, Silja Kuitu and Karin Forsgren are pictured shortly after the girls became acquainted here at the High School.

THEY ARRIVE AS STRANGERS . . .

THEY DEPART AS FRIENDS

Five new faces have been brightening our halls and our classes this year. They belong to students who came to Littleton from other countries.

Yvonne Gnauck's home is in Emmendingen, West Germany where she attended school at Geothe - Gymnasium. Yvonne's aspirations include the possibility of becoming an interpreter.

Silja Kuitu calls Kauhajoki, Finland home. She attended Kauhejoen Lukio and, while unsure about future plans, she will surely apply herself to, as she puts it, "something interesting."

Karin Forsgren comes to us from Hudiksvall, Sweden and she hopes to become an economist. In her homeland she attended Gymnasie Skolan.

Chitose "Sari" Okada attended Frost High School in her hometown of Kumamoto, Japan. Sari hopes to become a tour guide in Europe in the future.

Ricardo Carvalho is a native of Rio de Janeiro, Brazil where he attended Andrews High School. Ricardo's plans include study toward a degree in either engineering or oceanography.

Ticking away the moments that make up a dull day You fritter and waste the hours in an off hand way. Kicking around on a piece of ground in your home town Wating for someone or something to show you the way.

Tired of lying in the sunshine staying home to watch the rain. You are young and life is long and there is time to kill today. And then one day you find ten years have got behind you. No one told you when to run. You missed the starting gun.

And you run and you run to catch up with the sun, but it's sinking And racing around to come up behind you again. The sun is the same in the ralative way, but you're older And shorter of breath and one day closer to death.

Every year is getting shorter, never seems to find the time. Plans that either come to naught or half a page of scribbled lines. Hanging on in quiet desperation is the English way. The time is gone. The song is over. Thought I'd something more to say.

Perhaps no people are more aware than our parents of our graduation as a symbol of our transition from the dependence of early childhood, through sophomoric adolescence to the independence of young adulthood.

Here we continue the tradition of setting aside a portion of our memories to allow our parents the opportunity to add to our recollections of special times and to make our yearbook that much more special to us . . . yet another reason for us to say . . . thank you . . .

Dianne: Special people are rare, but you have touched my soul and I feel special just knowing you. Good luck! Mom

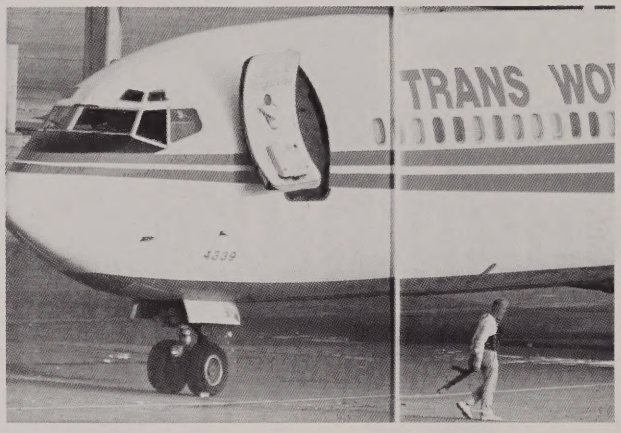
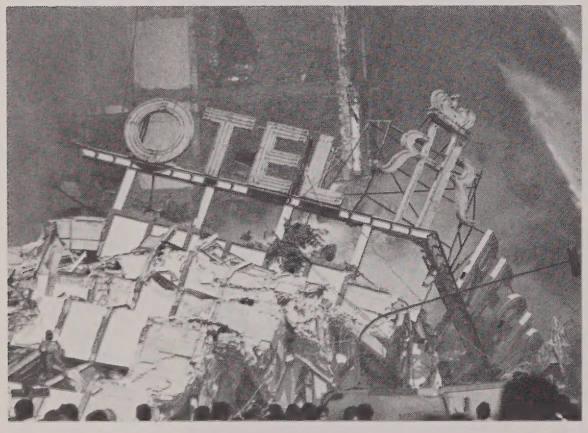
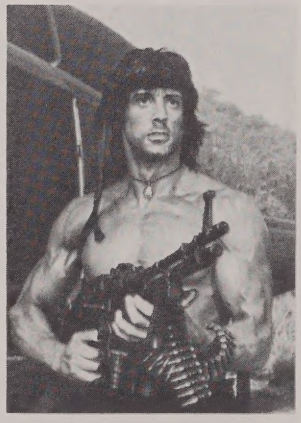
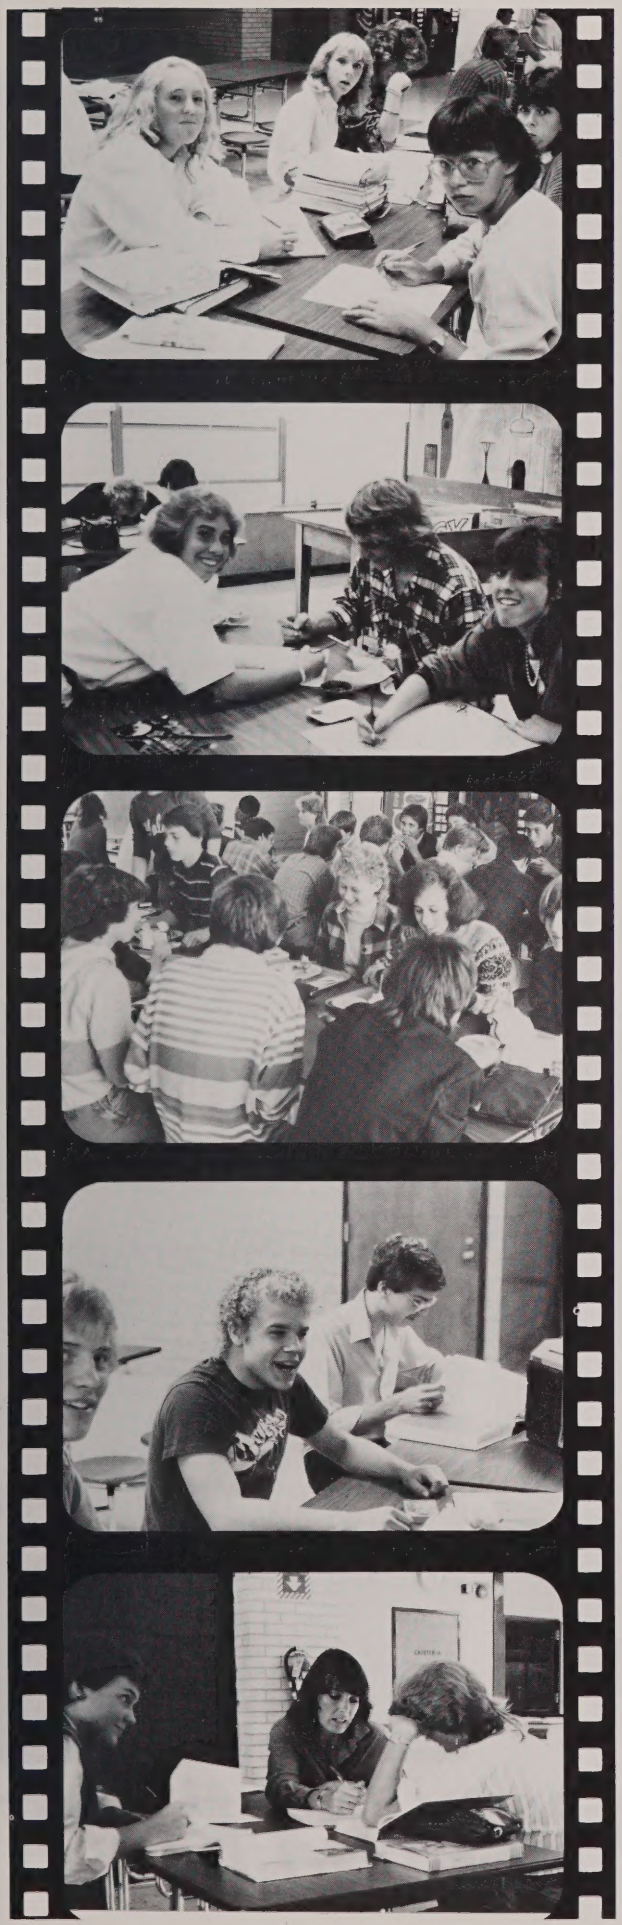
'85-UNFORGETTABLE-'86









The cheerleading roster during the 1985 fall season was comprised of: Heather Leach, Beth Ellis, Joanne Boroski, Kim Graham, Christine Pasto, Kim Ford, Maureen Masson, Tina Nutter, Dristen Dufour and Ellinor Petri. Our mascot is Alaina Ford. The cheerleading coach is Miss Barbara Puppel.

THEY STRIVE

Members of the cheerleading squad during the basketball season pose at halftime during one of the home contests. They are: (r to l), Bob Hofeldt, Chris Masson, Kathy Butler, Kelly O'Brien, Keri Johnson, Kristen O'Brien, Tina Nutter, Kim Graham, Kristen Rakip, Leann Leonardo, Maureen Masson, and Sue Barbella.

Our cheerleader - during wining seasons, the smiles come easy. During less successful ones the smiles and the enthusiasm still appear as to encourage us to experience the true meaning of sport. In rain, in snow, in cold and in fair weather, our cheerleader is present - always.

FOR SPIRIT!

"Fellas, listen! Listen! 'Born in the USA, born in the USA.' How's that, huh"?

"NA! NA! You missed me!!

"Back off girls, I'm comin' through"!

"This stuff is a killer! I'd rather be writing an essay for English"!!

"Coach, are you sure that won't hurt when I take it off"?

"It's easy, Didi, if you can't get the ball, get *her*. Watch"!

CONKLING DEVELOPMENT

Graduation. A milestone. The end, yet merely the beginning.

Memories left of love and laughs. Of little tragedies. Of winning.

A time to remember many yesterdays. A bit wistful - with both smiles and tears.

The end of a journey. A victory. Twelve long and busy years.

Grown-up now, but still so young - worldy and wisened and children at heart.

Proud parents, saddened friends. A magical future about to start.

Graduation. A milestone. A leap forward, a look behind.

A day, most of all, of hope - of dreams out there to find.

Chris Venier
